Re: Professional Rules of Conduct, Rule 8.4(g)

Honorable Members of the Court,

You have called for public comment of the proposed new Rule 8.4(g) of the Professional Rules of Conduct for Montana Attorneys. As concerned citizens, we hereby submit our request that you reject this rule for the following reasons.

We consider that this is another attempt to silence the voice of Judeo-Christian ethics upon which this blessed country was founded. There is only one Lawgiver and He defines marriage to be between one man and one woman. "Political correctness" has been a contributing factor in the declining moral condition of our culture.

Secondly, we feel that lawyers (attorneys) should have religious freedom and freedom of speech to be able to practice with a clear conscience. This is an extreme example of the government overreaching into the consciences of lawyers with the conviction that marriage is truly between one man and one woman.

Please respond to our request to reject this rule.

Sincerely,

Jim George
